PLYTEC OSB SERIES

OSB - Oriental Strand Boards are engineered wood panels where rectangular wood stands are arranged in cross oriented layers and bind together with resin. These greener alternative to conventional plywood are moisture resistant and have high load capacities. Besides being eco-friendly, OSB plywood are engineered for strength, flexibility and durability.

Size: 1220mm X 2440mm X 9mm, 12mm & 18mm WBP, MR & Tego (170gsm/60)

PLYTEC FOREVER GREEN SERIES

Popular range plywood made from Malaysia tropical hardwood is renowned for its quality and strength.

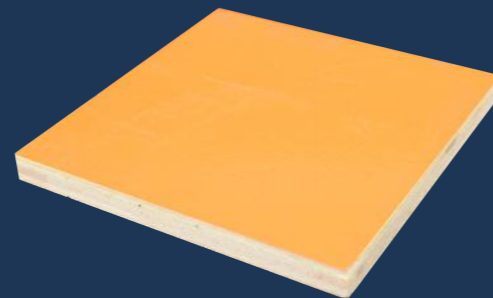

Size: 1220mm X 2440mm X 9mm, 12mm, 18mm & 25mm WBP, MR & Tego (170gsm/60)

PLYTEC GOLDEN SERIES

Known as UCP (Urethane Coated Plywood). A panel of plywood laminated with a layer of urethane coating - high performance smooth coating that noted for low temperature, high flexibility & good outdoor weathering characteristic. Another alternative to tego plywood.

Size: 915mm X 1830mm X 12mm WBP

PLYTEC PREMIUM SERIES

Known as Rocket Plywood. High quality & durable. Best resistant to cracking, breaking, shrinkage, warping & twisting. Compliance to international standard-tested according to EN 13986.

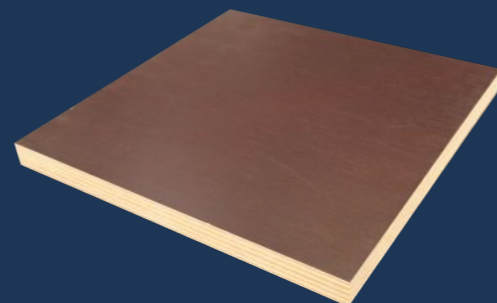

Size : 1220mm X 2440mm X 12mm WBP & MR BBCC grade (export grade)

PLYTEC SUPERIOR SERIES

Exclusive range-BBCC grade plywood with 1.4mm thick face & back veneer plywood. High re-used quality with proper site practice .

Size : 1220mm X 2440mm X 12mm WBP (available in 7 ply) ,
1220mm X 2440mm X 18mm WBP (available in 9ply & 11 ply) ,
1220mm X 2440mm X 12mm Tego - 180gsm/60 (available in 7 ply) ,
1220mm X 2440mm X 18mm Tego - 180gsm/60 (available in 9ply & 11 ply)

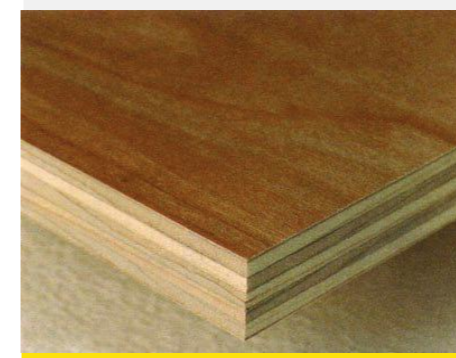

Guideline to maximize the reuse of Plytec Plywood:

- 1) Just in Time concept - Do not expose the plywood under direct sunlight or water for a long period of time without proper storage.
- 2) Apply form oil on the panel before every use.

Liase with us for professional advise on the suitable types of plywood for the formwork structure of your project.

Certification

We supply quality plywood and assure buyers that the products they purchase is obtained from forest managed by internationally recognized environmental & social standards. For example, Certification for Chain of Custody by The Malaysian Timber Certification Council, Forest Stewardship Council (FSC) Chain of Custody by Scientific Certification System, CE marking, JAS Standard, PEFC etc.

Brand	: PLYTEC
Dimension	: 1220mm x 2440mm
Thickness	: 3mm - 25mm
Type of Plywood	: WBP, MR, Phenolic Surface Film ply (common name Tego ply), Marine ply, OSB, Container Flooring ply
Grade	: SB / BBCC
BS Standard	: BS 6566, /EN13986 (Wbp, tego), BS1088 (Marine ply)
Plywood Application	: Structural, Flooring, Furniture
Wood Species	: 10% Mixed Hardwood Timber
